### TEXT LEVEL

Comprehension skills will be developed by introducing different genres of text and question types.

Writing styles such as:

- descriptive,
- narrative,
- informative,
- script
- poetry will be introduced.

### READING

The class reader this term will be *Kensuke's Kingdom* by Michael Morpurgo. Individual reading books will be sent home every day. There is a well-stocked school library which the boys have easy access to and from which they are encouraged to borrow books whenever they want to. If they wish to bring their own books into school, I would suggest that they have their names inside the front cover and that they are, of course, age and ability appropriate.
